

# ENVIRONMENTAL POLICY

Truck Parts North Wales

Joanne Wetton

November 2024

## Environmental Policy Statement

Truck Parts North Wales is committed to reducing its impact on the environment. We will strive to improve our environmental performance over time and initiate additional projects and activities that reduce our impacts on the environment.

Our policy and commitment to the environment extends to our customers, our suppliers, our staff, and the wider community in which we operate. We are committed to:

- Minimising disturbances to the local and global environment, and to the local communities and wildlife
- Following the waste management hierarchy as outlined in the Waste (England and Wales) Regulations 2011. The company will follow the hierarchy outlined below:
  1. Prevention
  2. Preparing for re-use
  3. Recycling
  4. Recovery
  5. Disposal
  6. Minimising the use of energy and raw materials and adhering to the principles of sustainability
  7. Considering the environment in the design of processes and products and the maintenance of equipment
  8. Providing information on the use and final disposal of products
  9. Ensuring that all employees and suppliers are adequately informed about the company's environmental policy
  10. Minimising the use of product related materials and services such as packaging or transport
- Monitoring and reviewing environmental performance against targets and objectives on a regular basis

In order that the Company can achieve these objectives, it is important that employees recognise their duty, whilst at work, to take reasonable care of the environment. Employees should also co-operate fully with the Company or anyone else concerned, to ensure that their legal and moral obligations are performed or complied with. Employees will be provided with adequate education and training in environmental issues and the effects of their activities.

Signed
